President's Message

We had our inaugural meet and greet coffee July 13th and everyone that came seemed to enjoy themselves very much. We tried to divide up our region into three areas, the northernmost being Ft. Pierce, then Stuart, and southernmost Palm Beach Gardens. We had a great turn out at Palm Beach Gardens but Stuart and Ft Pierce was pretty lean... Talking with the leaders of the northern groups the board decided we would just have it in Palm Beach Gardens as the people had no problem driving down from Stuart and Ft Piece, especially since our TooJays is right off I-95 on PGA Blvd...

Our next Meet and Greet coffee has been scheduled for September 14th at the TooJays in Palm Beach Gardens and we are looking for an even greater turnout since our 1st venture. Les will give you the details and where to park so we can take photos of all the cars together. I'll be bringing the photos from the July breakfast so everyone can see them...

We just returned from a trip to Plymouth, Michigan to go to the Concours d' Elegance of America at St Johns (formerly Meadowbrook).. RM auction was there presenting Duesenbergs, Packards, Cords, Pierce Arrows, Rolls Royce and on and on.. Concours cars included all those plus Stutz, Marmon, Stearns Knight, Cadillacs, Chryslers and Lincolns from pre-war era, Muscle cars, race cars, exotic cars, and motorcycles. What a treat!!! Mercedes Benz had their own display showing the new S class and a whole row of Pagoda's because of the 50th anniversary...

Some of the stops along the way were the Packard Museum in Dayton, Ohio, the Ford Museum in Dearborn, Michigan, the Ford Factory and assembly plant for the F-150, and a tour of Motown Museum that Berry Gordy started and we were in the studio where Stevie Wonder, the Temptations, Shirelles, the Supremes, Michael Jackson etc, etc got their start. The tour guide had us singing all the old songs in each room we passed through.

We ended the trip by going over to Elkhart Lake, Wisconsin, to the FCA International Meet at Road America track (Ferrari Club of America) It was a Sea of RED, some Yellow and Black also, but I've never seen so many Ferrari's in one place at one time. Ran into a few of the local Florida Members who trailered their cars up there to show. Great turn out...

We have quite a busy calendar coming up with an event every month for the next six months..... I hope everyone makes a effort to come to these events..

Be safe and keep Motoring...

Next Road Star Section Event

Date: Re-scheduled - Date To Be Announced
Road Star Section
Meet & Greet

Our next "meet and greet" coffee has been re-scheduled and the new date is TBA. Come join our Road Star Section members for an hour or two of conversation about cars, upcoming events, or anything else that interests you. Based on attendance at our first such meeting in July, we've decided to limit the venue to one rather than three locations and have settled in on the TooJay's in Palm Beach Gardens. When you arrive, please park on the far west side of the parking lot. This allows us to get all of our cars in one location for viewing, photos, etc.

Meet and socialize with your fellow members..... all beginning at 9:00 AM
